Antique Radiator Pricelists 2024

About Us

Since 2008, Vintage Cast Iron Radiators have been supplying original reclaimed cast iron radiators and new classic style cast iron radiators to discerning homes and heritage buildings. Established in Halifax, Yorkshire, Vintage Cast Iron Radiators provide the highest quality radiators using traditional craftsmanship and cutting edge techniques.

Our antique cast iron radiators are highly sought after due to the specialist knowledge, skills and equipment required to successfully restore and renovate. We are proud to have built and maintained a reputation for outstanding craftsmanship and reliability.

Antique Column Cast Iron Radiators

'A Classic Edwardian design that provides sleek lines and stunning looks. Perfect for both modern and period properties.'

Available in two, three, four, six, and nine-column models. The greater the column number the more heat output you will receive from your radiator.'

Antique Ornate & Rococo Cast Iron Radiators

'We have a large selection of ornate vintage radiators sourced from North America, the UK, and Europe.

Made between 1880 and 1930 our ornate radiators are true antiques, each one showing a history and patina unavailable elsewhere. Built to last, these architectural antiques make it easy to admire the quality and robustness of incredible creative workmanship derived from a pre-disposable era.

Available in many different styles and sizes, our antique radiators will afford a true sense of style and exquisiteness that is well worth the investment.

Please contact us for further information and price. '
